

A Dementia/ Alzheimer's

Informational Seminar

Where do I look for help?

Our seminar is designed to help you navigate this challenge on behalf of your loved-one, and to provide you with resources where more information can be obtained.

Do you have a loved one who is beginning to show signs of dementia or Alzheimer's? How do you enter the process without destroying the person's dignity? Maybe your loved one has already been diagnosed and is now living in an assisted home.

Where do I look for help....

- Diagnosing •Care management
 - Placement •Medications
 - Guardianship •Finances •Insurance
- ...it quickly becomes overwhelming!!!
